Dr. J. Lederberg
Department of Genetics
Stanford University
Medical Center
Palo Alto, California

Dear Dr. Lederberg,

The plans for the Stowe workshop are now definite. We shall meet there on August 27-28-29. In the hope that you will be able to join us, accommodations have been reserved for you from the evening of the 26th. If you wish to have someone from your family with you, please make arrangements directly with the Inn. A brochure is enclosed. A final list of participants will be sent to you in a few weeks, with information as to travel from Montreal, Boston, New York and the West.

Looking forward to seeing you in Stowe, (The Lodge, Smugglers Notch)

Sincerely yours,

AL 37311
